Reverse mortgages are loans that are secured by a home's equity. These loans are commonly referred to as Home Equity Conversion Mortgage (HECM) and are available to borrowers age 62 years of age or older. These loans allow homeowners the option to use the equity in their homes to meet their financial needs. The NCCOB regulates and approves North Carolina mortgage lenders to make these reverse mortgage loans. Certain entities are exempt from approval; however, exempt entities must notify the Commissioner of their

Assisted living offers intermediate care for individuals who cannot reside on their own in an independent living, but do not need the full-time health care services of a nursing home.

Provide care to elderly people who need help with daily tasks such as meal preparation, mobility, bathing or dressing. Assisted living centers do not provide housing for elders with severe medical conditions that require medical care and monitoring from a doctor or registered nurse.
