PLEASE READ THE FOLLOWING BEFORE SIGNING:

By signing this application below, I certify that I am authorized to apply for permits on this job, that the information given is true and complete to the best of my knowledge and that all work **will comply with North Carolina & local building codes, and the Unified Development Ordinance concerning this proposed use. I am aware that this permit will become void after six (6) months from the date of issuance if no inspections have been scheduled and completed to verify work on the project has commenced.** For extended projects, I understand that the work must be verified & documented on a yearly basis or the permit will expire. **Any violations of the aforementioned regulations and/or the zoning ordinance will be grounds for revocation of any and all permits issued by this department.** I understand that I must still contact the Lake Management Division of Duke Energy (1-800-443-5193) in order to receive final approval for the placement of this pier.

I certify that I have read the statement above and I accept responsibility for this project. I also understand that approval of the submitted plans does not confer or imply approval of the actual pier. All work is subject to inspection or testing at the inspector's discretion and the field inspection has final authority.
