Lincoln County Veterans

As we continue to grow our business and our relationships with you the Veterans of Lincoln County, I just want to say thank you for allowing us to help you and provide you with the services you need and deserve. I have enjoyed meeting so many of you and getting to know you. Many of you have not only allowed us to help you, but you have referred others to us. Thank you for spreading the word!

If you have not already done so, take your DD-214 to the Register of Deeds office and have them scan it into their database. Then if you ever need a copy, they will provide a free one for you. By doing this, they will issue you a photo ID which is good at area businesses for a discount on your purchases. You can also go to www.shopmyexchange.com and sign up and you can shop online at the Military on base Exchanges. While you cannot visit in person, this is a great way to save money on name brand items. It only takes a minute to register. Shipping is free for most items.

And finally no matter what you have heard about the VA from others take the time and find out for yourself. The VA has improved and continues to do so. Do not miss out on the benefits you deserve because of what someone else may have told you. I assure you, we can and will help you navigate the VA and we will work to answer any and all of your questions and quickly resolve any issues you may have during the process. We are here for you. I am a 15 year military Veteran. Believe me when I tell you I understand.

Contact our office or just stop by. We would be glad to assist you in any way possible. Call us at 704-736-8506.
