LINCOLN COUNTY INCENTIVE GRANT AGREEMENT

NORTH CAROLINA
LINCOLN COUNTY

THIS AGREEMENT is made and entered into as of the 15th day of August 2022 by and between LINCOLN COUNTY, a body corporate and politic (hereinafter referred to as “the County”), and Cataler, a North Carolina corporation (hereinafter referred to as “Cataler”).

WITNESSETH:

WHEREAS, Cataler has developed plans for the installation of manufacturing equipment in Lincoln County, North Carolina;

WHEREAS, the Board of Commissioners of Lincoln County verily believes that the location of new industries and the expansion of existing industries is vital to the economic health of Lincoln County and to the welfare of its citizens; and
WHEREAS, the Board of Commissioners wishes to encourage such development by means of offering incentives to recruit new industries and to aid in expansion of existing industries; and

WHEREAS, such incentives are predicated on the notion of expanding Lincoln County’s tax base and providing additional jobs for Lincoln County’s citizens that pay wages higher than the current prevailing average hourly wage in the particular industry; and

WHEREAS, the Board of Commissioners has determined that it is appropriate and in the best interests of Lincoln County and its citizens to offer incentives in the form of both cash grants and assistance with making public services available; and

WHEREAS, the Board of Commissioners believes that it is appropriate and reasonable to expect Cataler to bind itself to the County to produce certain results in conjunction with the project described herein as conditions of the incentives being offered by the County;

NOW, THEREFORE, for and in consideration of the mutual promises and covenants herein set forth, the parties hereby agree as follows:

1. On or before August 15, 2022, Cataler shall begin installation of a building and equipment and machinery expansion in Lincoln County, North Carolina.

2. Within two years of the effective date of this agreement (said effective date being referred in item 1.), Cataler shall make an investment upon such site in building/land and/or machinery and equipment of $16,397,801 (the expected capital investment) of which $11,777,585 will qualify for incentives under the Lincoln County Industrial Incentive Grant Policy.

3. Within two years of the effective date of this agreement, Cataler shall provide at such site at least 3 new jobs paying average hourly wages of $27.83 including benefits.

4. In consideration of the performance of the aforesaid obligations by Cataler, the County will provide cash grants to Cataler of $61,967.77 per year for a seven-year period. Lincoln County will pay such grants beginning in the tax year after the project’s completion. Grants will be paid to Cataler within 30 days after Cataler has made its tax payment for the then-current year and has notified Lincoln Economic Development Association of the payment. This amount represents a Level III grant under the Lincoln County Industrial Development Incentive Grant Policy for New and Existing Industries.

5. Cataler shall on a no less than annual basis provide evidence satisfactory to the County of how many jobs (as provided in Paragraph 3 herein) it has maintained.
6. a. In the event that the value of the investment actually made by Cataler pursuant to this agreement is greater or less than the Expected Capital Investment then the grant will be equitably adjusted upward or downward on a pro-rata basis.

   b. In the event that the number of people in qualifying jobs actually employed by Cataler pursuant to this Agreement in any year during the term of the Agreement is fewer than the Expected Number of Jobs, then the County may, in its discretion, reduce the amount of the Grant to be paid for the year (or seek reimbursement for the Grant already paid for said year) in the amount of $1,000.00 per job shortfall.

7. Cataler specifically agrees that in the event that all or any portion of this agreement or any incentive grant or payment to be made hereunder is declared to be unconstitutional, illegal, or otherwise enjoined by a court of competent jurisdiction, Cataler shall indemnify and hold harmless Lincoln County and its Board of Commissioners, individually and collectively, from any loss or liability and shall reimburse Lincoln County by the amount of any such grant or payment.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals as of the day and year first above written.
**Building Reuse Grant Agreement for Punker** – Megan Gilbert presented the following:

Unable to secure a Deed of Trust from Borghetti, which the County required to execute the grant agreement, Punker was allowed the time to fulfill the job requirement which was the basis for the grant award. As the time period to go under contract is coming to an end, Commerce is allowing for the jobs created to date without the Deed of Trust and a freshly executed Grant Agreement.

Megan Gilbert recommended acceptance of the Grant Agreement and the number of jobs Punker has been able to create, which is 3 jobs shy of the total required. They will only be awarded for the jobs created and maintained for 6+ months which eliminates the concern of a clawback.

**UPON MOTION** by Commissioner Davis, the Board voted unanimously to approve the Building Reuse Grant Agreement for Punker.

**Presentation of Schedules, Standards, and Rules for the 2023 Revaluation and the Present Use Value Rates** – Susan Sain, Chris Nelson, and John Shrell presented the following:

UPON MOTION by Commissioner Sigmon, the Board voted unanimously to approve the Order Directing the Tax Collector to Collect the Taxes Charged in the Tax Records and Receipts.
