INSTRUCTIONS FOR LINCOLN COUNTY PROPERTY TAX LISTING FORM

Please complete this form and mail or return it to the Tax Department before January 31st to avoid a mandatory 10% late listing penalty.

Effective January 1, 1994 real estate property owners are no longer required to list their real estate property on an annual basis. Late listing penalties will not be charged on real estate, unless taxable improvements are made to the property and are not reported by the owner by January following the new improvements to real estate.

TYPES OF PROPERTY THAT MUST STILL BE LISTED

A permanent listing system does not affect the requirements to list personal property. If you own items/property such as: manufactured homes classified as “personal property”, farm equipment, boats, motors, aircraft, business machinery and equipment, or property rented to others as a part of a business, you must list this property EACH JANUARY with the Tax Department. Vehicles with multi-year, permanent, “IRP” registrations, or those not currently licensed (including, but not limited to Campers, Trailers, Motorcycles, and Motor Vehicles), must also be listed with the Tax Department EACH JANUARY. Listing Abstracts are mailed annually only to those who have

DO NOT LIST LICENSED (TAGGED) MOTOR VEHICLES UNLESS THEY HAVE A MULTI-YEAR, PERMANENT, OR IRP REGISTRATION.

1. Verify your name and address, making corrections if needed.
2. IT IS STILL THE DUTY OF REAL PROPERTY OWNERS UNDER PERMANENT REAL ESTATE LISTING TO REPORT ANY IMPROVEMENTS MADE TO REAL PROPERTY.

Any property owner who adds a new structure or who builds an addition must report that change to the Tax Department. Such improvements as (but not limited to) building a deck, finishing a basement, adding a porch, building a carport, garage, barn, fishing/boating pier or dock, or storage building are a few examples of additions to property. Failure to report improvements may result in additional taxes and penalties. Routine repairs and maintenance to real estate need not be reported. Examples of routine repairs and/or maintenance are such things as (but not limited to) painting, replacing carpet, repairing roofs, replacement of fixtures, and other similar repairs. Routine repairs and maintenance do not include major remodeling projects wherein the structure of the building is significantly altered or updated.

NOTE: The total cost should include a fair estimate of your personal labor contributed.

3. Verify that all pre-listed personal property manufactured homes, aircraft, boats and motors, untagged, permanent, multi-year, or ‘IRP’ tagged vehicles, trailers, and motorcycles are correct. This is personal property that was listed in your name January 1 of last year or has been reported to us by the N.C. Wildlife Commission or Department of Motor Vehicles as being in your name as of January 1, 2023. Please mark through any items not owned January 1, 2023 and indicate if sold, traded, or given away, etc. Provide new owners name, address, and copy of bill of sale.

4. Please list any new personal property which you have acquired within the past year that is not listed in section 3 above and you are the current owner.

List with complete descriptions property types including: Aircrafts, Boats and Motors, Jet Skis, Manufactured Homes, Unregistered (not tagged) Vehicles, Permanent, Multi-Year, or IRP tagged vehicles, Trailers, Campers, and Motorcycles.

5. THIS IS VERY IMPORTANT. List your Name, Birth Date, Soc Sec. #, Home Phone, Cell Phone, and Employer’s Name.
